Mary Craig Ministries April, 2007

Hello, everyone,

Jesus Christ shed His blood to cancel the guilt of our crime. In addition to showing His own love for us by dying the death we deserve, He became a ransom, forgives our sins, takes away our condemnation, gives us the basis for a clear conscience, brings us to faith, absorbs the wrath of God, and “does the devil in.” He reconciles us to God, frees us from bondage, secures our resurrection from the dead, opens access to the Holy of Holies, and shows us that the worst evil is met by God for our good and for His greatest glory.

Jesus didn’t stay on the cross. He walked a path of obedience leading to the cross that He might gain His joy and ours. The hope of joy joins us to Christ so that we, too, reckon “that the sufferings of this present time are not worth comparing with the glory that is to be revealed to us.” (Romans 8.18)

“He who spared not His own Son but gave Him up for us all, how shall He not also with Him freely (or graciously) give us all things?” (Romans 8.32) Every thing we need in order to be conformed to the image of Christ will be provided to us. We persevere because the Holy Spirit preserves us. God meets every real need, though not every “felt” need. He will provide grace and favor as we come to the Throne of Grace boldly in Jesus’ Name.

While we may debate over the origin of evil, we can say that God in Christ entered into this present evil age, suffered unto death, and demonstrated how the worst evil can be turned to supreme good. God destroyed the power of evil and suffering when He bruised His own Son, the Innocent Blood, and crushed Him as the creation rose up to kill the Creator in hopes of taking His place as god. Jesus rose from the dead in all power and glory. In His life, we find our life.

Are we passionate about the gospel? If we are, let’s worship in spirit and in truth.

Sunday, April 1st, 4:30 p.m. Palm Sunday/Communion

Good Friday service April 6th, 7:30 p.m./Communion

Easter Sunday service April 8th, 4:30 p.m.

April 10th, Rev. Jim Craig begins a new study, “Heart of Evangelism.” This study will benefit anyone seeking to know the gospel in depth and the heart of God towards reaching the lost. Join Pastor Jim Tuesdays, 7:00-9:00 p.m. for this dynamic study.

April 13th Dr. Mary Craig begins a new study, “The Prophets & the Prophetic Anointing.” We will examine the nature and character of the prophet, the message overview, and the prophetic ministry past and present. This study will greatly benefit those who walk in a prophetic anointing, those who want to develop their gifts, and those who need to discern false from true prophets. There’s so much out there now, folks, that **I was led by the Holy Spirit to get His people back into the Word concerning this whole area of ministry.** You’ll want to be there, especially if you have an interest in the prophetic gifts and/or office of prophet.

Begins Friday, April 13th, 7:30 p.m.

Our last “power lunch” with Rev. Jackie Clanton was so packed and active, we forgot to take pictures! God moved in such a great anointing that I could hardly stand up myself praying for folks. We have such an anointed ministry team now that we all look forward to every moment we are in God’s presence at Craighouse®.

Wednesday, April 25th

“Power Lunch” with Rev. Jackie Clanton

Noon to 1:30 p.m. Bring your own lunch or enjoy a light lunch on us.

As if we’re not busy enough, we have a fellowship dinner coming up. David Patten, our Barnabas Project director, will give a presentation of our next “target for blessing,” Belle Glade. We have great fun while making an impact for Christ

here and around the world.

Bring food & a friend!**

Finally, I have something exciting to share. May 1st we are going to launch a **new ministry at Craighouse®—the Craighouse® Caregiver Support Group**. This group is a Christian support group for those caring for the chronically ill.

We know the struggles of being a caregiver, the need for a refuge, a place and time to be refreshed, renewed, and ready to face life's challenges again, and again. We understand the emotional toll. Pastor Jim and I had 29 years of parent care and Jackie Marcott, R.N. has cared not only for her son who has muscular dystrophy, but she herself has muscular dystrophy. She is a cancer survivor. She has led many support groups at regional hospitals and churches, including neonatal bereavement support at Holy Cross Hospital.

Jackie will be leading this group, as caregivers join together to pray for one another, listen with compassion and grace, and seek Jesus Christ for strength.
